2010 - '11 Special Gifts

Through St. Joseph Mercy Port Huron, the Peoples' Clinic for Better Health receives contributions to support its operation. The St. Joseph Mercy Foundation has also established an endowment to provide lasting financial stability.

The clinic is often a commemorative opportunity. Our donors may designate the clinic to receive tributes (or memorial contributions when a loved one dies); or as commemorative gifts for birthdays, anniversaries and other occasions.

We take this opportunity to thank all our donors. The individuals, businesses and organizations listed made contributions to the Peoples' Clinic during the fiscal year.

 FOR BETTER HEALTH

2010 - 2011 Annual Report

DISCOVER
 REMARKABLE

The Peoples' Clinic for Better Health is the centerpiece of St. Joseph Mercy Port Huron's Mission. It is a collaborative project in St. Clair County, including St. Joseph Mercy Hospital and the St. Clair County Medical Society. The clinic is funded in part by the United Way of St. Clair County. Medical care and referral services are available four days per week in offices leased from Our Lady of Guadalupe Mission, 3110 Goulden Street, on Port Huron's Southside.

The free medical services are available to those who lack the resources to pay for their care. One-half of its patients are working poor, who lack benefits or who have insufficient medical coverage.

Volunteers, including physicians from the St. Clair County Medical Society, help staff the clinic. In fact, the clinic represents an extensive collaboration between individuals, churches, businesses and organizations to fulfill the Peoples' Clinic's Mission: *To respond to the medical needs of the economically and socially disadvantaged by providing medical care and referral services.*

There are numerous specialists who accepted referrals throughout the year, including 377 specialist and 101 dental referrals. The orthopedic clinic received 110 visits; the gynecological clinic received 17 visits; 54 referrals were made to the Lenscrafters or Pearle Vision Gift of Sight programs. This extensive referral network makes advanced treatment for clinic patients possible. Many thanks to all of you.

Other Highlights

- ✎ Sweet Touch participants received 615 combined visits. The program focuses on the patient's personal management of diabetes including consulting with a dietitian and registered nurse as well as Sushma Reddy, MD, an endocrinologist who specializes in the treatment of diabetes. This year, 124 patients participated in the Sweet Touch Program.
- ✎ The Mercy - Chafy Memorial Golf Outing contributed \$20,000 to clinic operations.
- ✎ The United Way of St. Clair County awarded \$63,700 to support prescription assistance to patients as well as fund counseling at the clinic.
- ✎ In 2011, Peoples' Clinic received \$4,310 in grant funding from the State of Michigan to support the prescription assistance program.
- ✎ The Peoples' Clinic has been a financial benefactor of a number of community events including: a wine-tasting extravaganza, co-sponsored by Wright & Filippis; and other events sponsored by the Daughters of Isabella, Suzanne's Fashions, and various Women's Life Insurance Society Chapters.
- ✎ The St. Clair County Community Foundation offered a match-grant program in June 2010. As a result of individual donor contributions of \$20,000, the foundation awarded \$31,000 in funding for 2011 Peoples' Clinic operational expenses.
